WHAT TO EXPECT — WEEK BY WEEK

WEEK 1	WEEK 2	WEEK 3	WEEK 4
The Foundation Products introduced. Possible adjustment period. Gut begins seeding with beneficial bacteria.	The Rebuild Bloating reduces. Digestion smooths. Energy steadies as the gut lining starts to repair.	The Transformation Skin clarity improves. Energy lifts noticeably. Mood balances. Cravings ease.	The Sustain Full system firing. Consistent energy. Glowing skin. Lifelong gut habits take root.

DAILY SUCCESS RULES

- Drink 8+ glasses of water daily — probiotics need hydration
- Take your probiotic at the same time each morning
- Never skip Digestive Enzyme before a large meal
- Sleep 7-9 hours — your gut repairs itself overnight
- Never miss 2 consecutive days in the programme
- Log your energy, bloating & skin score each week

"The gut is your second brain — heal it, and everything changes."
